It is the desire of Student Life to help people know Christ through His Word. During events this best happens through a solid partnership with the local church to help create a meaningful and safe experience. The following responsibilities are asked and required from each attending group's leadership:

I am responsible for the Spiritual guidance of all individuals in our group.

This includes, but is not limited to, counseling students and adults concerning spiritual decisions in corporate gatherings, quiet time, church group time, as well as other opportunities throughout the event.

I am responsible for discipline, supervision and leadership of individuals in our group.

This includes, but is not limited to, in the dorms/lodging, during corporate gatherings, during scheduled events and throughout free time.

I understand that any damages incurred on campus due to actions from members of our group will be the sole responsibility of that individual or the church/group that they are attending with.

I understand that all decisions regarding medical needs of individuals under my supervision are the sole responsibility of me and our adult leadership.

This includes, but is not limited to, decisions about medical/injury treatment, collecting and maintaining copies of medical release forms, medical history or attendees' medical insurance information, transportation to medical facilities if needed and communication with parents or guardians regarding any medical needs of attendees.

I am responsible for a child protection policy.

This would include conducting background checks on the adult leaders you bring, as well as establishing guidelines and policies that ensure the safety of the students you bring to camp.

I understand that I am responsible for the arrival and departure of all of my students. If parents are picking up a student early they will make arrangements through me and I will communicate with them regarding any attendee's departure from a Student Life event.

I understand that I am responsible to uphold the event guidelines that Student Life and the camp location have set that will be communicated to each student and adult at Student Life events.

This includes, but is not limited to, dress standards, attendance, lights out, guys and girls being in the appropriate rooms, no alcohol, tobacco, drugs, weapons or fireworks.

In the event of an accident or injury to a participant at Student Life events, the Student Life staff and/or the camp location staff (including colleges, universities and conference centers) will not make any recommendations or decisions regarding medical treatment or diagnose illnesses or injuries. Our staffs may provide basic first aid but will never provide medication of any kind. All medical decisions are reserved for the authorized agent (group leader) of the church. We strongly urge that medical attention be sought for any injury occurring during at a Student Life event.

I understand my responsibilities as the authorized agent of my church and I will properly train, educate and inform each of my adult leaders to help our group carry out our assigned tasks and expectations.
